

**AMENDMENT TO THE AMENDMENT IN THE
NATURE OF A SUBSTITUTE TO H.R. 3524
OFFERED BY MR. Burchett**

At the appropriate place, insert the following:

1 **SEC. ____ . SENSE OF CONGRESS ON IDEOLOGICAL COM-**
2 **PETITION.**

3 It is the sense of Congress that National Security Ad-
4 visor Jake Sullivan correctly observed that the United
5 States and likeminded democracies are in an ideological
6 competition with the People's Republic of China, under
7 the direction and control of the Chinese Communist Party,
8 when he stated, "China is essentially making the case that
9 the Chinese model is better than the American model. . .
10 This is not any longer some kind of implied contrast. It
11 is an explicit statement that there is an alternative model
12 to the democratic market economy model that the United
13 States has been advancing over the course of decades.
